

Flapjack Friday

Zisbakwet (maple sugar) Program

Few programs have generated as high of a level of interest as the Tribal Sugar Bush Program. Established in 2007, this initiative is intended to restore a long-held tradition on the Pine Creek Reservation and provide maple syrup for Tribal events, gifts and sale. In 2010, the Tribe took delivery of a Maple Syrup Evaporator and equipment for filtering and bottling syrup. The Evaporator can boil sap down into syrup in less than two hours, as opposed to our old “stovetop” method, which took 20+ hours. Next year promises to bring considerable advances to the program. . It is now a 100% Tribally-funded program, and provides maple syrup for Tribal events, gifts and sale.

Flapjack Friday Date TBA (Usually a Friday in April)
