

# **JOB BANK**

The Job Bank was created to quickly and efficiently match NHBP Tribal Members and other eligible candidates with temporary positions of employment.

If you are interested, please fill out a job application from the employment tab and email it to Human Resources at [HR@nhbpi.com](mailto:HR@nhbpi.com) or mail it to:

NHBP  
Attn: Human Resources  
2221 1-1/2 Mile Road  
Fulton, MI 49052

On the application, question #1, please write: Job Bank. On question #18, please list your skills, qualifications, etc. and/or preferred jobs you would like to have. Without this information, I will not be able to identify where your skills and experience would be best suited.

We do not want you to miss out on this and many great future opportunities.
